Thursday October 2, 2008

11:00 a.m.

Bridge of Hope Learning Center North Charleston, SC

History

Bridge of Hope was founded in 2003 to meet community needs identified by Pastor Latanya Allen at Beyond the Church Walls Ministries. Prior to founding Bridge of Hope, Beyond the Church Walls sponsored and conducted outreach ministries for over six years, allowing Pastor Allen to identify the needs of disadvantaged people living in the community. The vision of the Bridge of Hope is to enhance the quality of life of the individuals that we serve. Our organization strives to encourage individuals to cultivate and fulfill their potential and to continue to increase and utilize all of their skills for the betterment of themselves, their families and their community.

*For Additional Information on the
Tournament Please Contact*

**BRIDGE OF HOPE
PROGRAMS**

Afterschool Enrichment Program

Our after school program for disadvantaged children ensures that children attending the program achieve developmentally-appropriate academic goals which results in increased academic achievement and higher PACT test scores. We provide opportunity for academic success as well as personal development by providing a safe, nurturing environment that encourages constructive behavior during non-school hours. **Afterschool sessions are held each day (5 days a week) from 2:30 – 5:30 pm at Matilda F. Dunston Elementary School.**

Summer Enrichment Program

Bridge of Hope's summer program integrates academic activities, cultural experiences, and play to create days full of learning and fun! This program serves about 70 children each summer.

HIV/Teen Pregnancy Prevention

Bridge of Hope hosts a HIV/Teen Pregnancy course for ages 10-15. This course is geared at empowering students to make responsible and mature decisions concerning risky behaviors.

Parent Coaching

Bridge of Hope also offers parent coaching to individuals who desire to strengthen their role as a parent and develop a closer bond with their children.
